‘First Steps to Phonics’ to be used as an intervention. Rec, and Year 1 use FFT Reading Assessment Programme (RAP), not PIRA.

FFT Reading Assessment Programme (RAP) test will be completed by children to identify who needs the Lightning Squad Tutoring (based on the new phonics scheme).

This is being used to support intervention groupings. Lightning Squad focuses on phonics, fluency, understanding, spelling strategies and comprehension.

This will be also used to support children who did not pass the Year 1 phonics screening or year 2 retake.
