News about Year 2...

This week our Year 2 children have begun their end of Key stage assessments. These assessments will provide their teachers with further evidence of their learning and attainment thus securing judgements. The children have been amazing! Taking everything in their stride and really showcasing their knowledge and skills. Well done Year 2, children and staff, we are very proud of you all.

News about Year 6...

Well, May is here! The point that our Year 6 children and their staff have been working towards has finally arrived, as next week sees the culmination of their learning through the end of Key Stage 2 SATs. Everyone has worked so hard, and we know that they will do their best! We know that everyone will be wishing them well!

Uniform

Polite reminder about uniform. It has become noticeable that more and more children are not wearing their correct uniform: shoes (trainers are appearing), ties (many are missing), hair (lots of children with longer hair are wearing it down rather than tied back in a ponytail or plaits etc), PE pumps (many children do not have black pumps), PE joggers and hoodies/sweatshirt/T-Shirt (some children are beginning to wear branded kit which is not needed not part of our policy). All schools have uniforms, and we are no exception, plus it promotes elements of our vision of “Pride in myself; Pride in my school”. If you have any issues, please contact us. On a positive note, a huge thank you to everyone who removes jewellery for PE. This has been a huge success. Thank you for your continued support and co-operation.

Sun safety

As we are now in the Summer term, there will be times when the weather is warming up! Please make sure that your child(ren) have a sun hat and are wearing sun cream. If your child brings suncream to school, please make sure the bottle has their name on it and they can put it on themselves. Also, please be mindful of purchasing and using any brands which may contain nut oils. Thank you in advance.
