## Snow Clearance/icy conditions - Generic Risk Assessment

School Name: Glascote Academy Location/year groups (if applicable): School site – playgrounds, pathways, car park			Decide who may be harmed (insert ✓):								
			Student	ent 🗸 Contra		ictors		•	Visitors	✓	
			Staff	•	Vulnerable Pec		eople	~	Volunteers	•	
Identified Hazards	Initial Risk Rating	Existing Control Measur	Existing Control Measures (select all that are in place)					Actions / Comments			
Storage of salt/grit (Environmental damage due to leaks)	М	Salt/grit to be securely stored by caretaker								L	
Carrying of salt/grit (Manual handling)		Manual handling training provided if appropriate				~	See n	nanual h	andling RA	L	
	н	Salt to be transported by vehicle or wheelbarrow where possible. Salt spreading to be carried out using spreading equipment where possible/where necessary.									
Gritting – physical damage to property	М	Excess use of salt/grit should be avoided. Caretaker should to identify any areas where extra care is required.				~				L	
Snow clearance	Н	Prior to snow clearing, route to be walked and assessed to identify where there is open space into which snow can be deposited.								L	
		Cleared snow should not obstruct a against trees, vehicles etc.	access to property, or	be piled (	qu						
		Always clear snow prior to gritting i	f possible.								
		A pathway of at least 1m wide show pushchairs and wheelchairs	uld be cleared to allow	access f	or						
Cold / wet weather including poor visibility	М	Caretaker responsible for ensuring advised to wear both gloves and ha		thing. St	aff	~				L	
		Caretaker provided with mobile pho contact with school office/HT if off s		keep in re	gular						

Slips, trips & falls due to ice or compacted snow	Н	Caretaker should ensure they clear away all equipment and leave the area safe with no trip hazards.							М		
		<ul> <li>Snow should be removed using a suitable snow scraper or shovel.</li> <li>Snow should not be brushed and water should not be used to clear snow or ice as it will create black ice.</li> <li>Staff, parents, visitors, pupils to be vigilant about snow or ice</li> <li>Designated disabled car parking area should be cleared and made safe</li> </ul>									
		Regular checks to be made during the day to ensure re-freezing or further snow coverage has not occurred									
Communication – staff, parents, visitors Risk Rating Guidance: H= H	M iah M= Me	ice Caretaker to instru- upon opening gate Staff to instruct pu theirs and others s If weather results i communicate to pa	ct/inform parents, visit s pils about snow/ice and afety n school closure, scho arents and staff	rs about condition of car park – ors about condition of playgroun d how to conduct themselves for ol text service to be used to sessment of the likelihood and o	r		I&S policy	e.
