

29th November 2018

Dear Parents,

### **2H - Class Assembly**

Parents and friends of children **in 2H** are invited to their child's Class Assembly, which will take place on **Thursday 6<sup>th</sup> December** from 9.00 – 9.30am. You will be able to see some of the work that the children have done over the last few weeks.

Younger children are welcome to come to this assembly, but could I please ask that if they become bored and start making a noise, that you take them out. Our children work very hard to prepare for these presentations and get very excited about being able to share their work with you

Unfortunately, I have had a few complaints about parents who insist on talking during our class assemblies. This is not only becoming very distracting for the rest of the parents and children who are trying to listen, but for those children who are performing. As you know, some of our children, whatever their age, have very quiet voices – I know that is hard to believe! - and it is a shame if they are distracted or the audience cannot hear what is being said. Therefore, could I please ask that if you have comments to make, they are saved for the end of the assembly.

I look forward to your support in this matter and I look forward to seeing you all in the near future.

Yours sincerely,

Miss M Powell  
Headteacher
